

**IMPLEMENTATION
BODY**

7th October 2011

Mr. Pat Harvey
Chair of the Health Sector Implementation Body

Dear Pat,

At its meeting yesterday, 6th October 2011, the Implementation Body considered the matter of the dispute in the Emergency Department of Limerick Regional Hospital.

The Body is of the view that the matter should, in the first instance, be considered by the Health Sector Implementation Body, in accordance with the procedures envisaged by the Implementation Body in establishing the sectoral implementation structures.

Furthermore, the Body is also strongly of the view that every effort should be made to resolve this matter under the dispute resolution machinery and procedures set out in the Public Service Agreement, namely the Labour Relations Commission and the Labour Court.

Yours sincerely,

Colin Menton
Secretary to the
Implementation Body
